

XIIIth COLLOQUE GANIL

Belgodere, September 17-22

FIRST CIRCULAR

The XIIIth "colloque GANIL" will be held from 17 to 22 September 2001 in Belgodere (Corsica, France). The purpose of the colloquium is to review and discuss the research carried out at GANIL and similar facilities around the world. Several sessions of the workshop will be devoted exclusively to present and discuss new ideas and developments or future plans. The working language of the workshop will be English.

The main topics studied with heavy ions to be discussed at the workshop are :

- **Nuclear structure**
- **Nuclear dynamics**
- **Interdisciplinary research**

In order to preserve the informal character of the colloquium and to stimulate presentation of controversial ideas, no proceedings will be published. Review talks are planned with ample time scheduled for discussion. These reviews will be followed by shorter contributions presenting the latest results. We encourage you to submit contributions in the above-mentioned areas of physics. The organizing committee will select the contributions for oral presentation. A number of presentations will be allotted to contributions given by graduate students.

The workshop will be held in the holiday resort Village Vacances Familles (VVF) "Canterelle Lozari" in Belgodere (Corsica), a seaside village close to Calvi. The conference will provide full board and lodging to participants from September 16, evening (Sunday) to September 22, morning (Saturday) at a total cost (including the conference fee) of 2600 F for a single room or 2100 F for a double room. Attendance is limited to about 120 participants.

Flights Paris-Calvi-Paris at reduced air fare (1600 F instead of 2130 F) will be available for participants. These flights are only for fixed dates :

- Sunday, 16 : departure from Paris at 2:40 pm arrival Calvi 4:10 pm
- Saturday, 22 : departure from Calvi at 11:45 am arrival Paris 1:15 pm

It will be a non refundable firm booking.

Please note that Corsica is a very popular destination and that flights to Calvi are booked well in advance. Therefore, we encourage you to register to the workshop as soon as possible by filling the attached pre-registration form.

If you are interested in attending the workshop, please complete and return the attached form at your earliest convenience but not later than **March 15, 2001**. Registration by e-mail is encouraged but please answer all questions indicated on the form.

We would be grateful if you could bring this announcement to the attention of your colleagues. Information concerning the workshop will become available on the web site <http://www.ganil.fr>

Looking forward to seeing you at Belgodère,
Dans l'attente de vous voir à Belgodère,
